

ICTRS 2018

Seventh International Conference on Telecommunications and Remote Sensing

Barcelona, Spain

8-9 October 2018

TECHNICAL PROGRAM

MONDAY

- | | |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 11:00 | Registration |
| 11:30 | Opening |
| 11:45 | Panel |
| 12:45 | Lunch |
| 13:45 | Paper Presentations (Signal Processing for Communications) <ul style="list-style-type: none">- Ivanka Tsvetkova- Jan Ortmann |
| 14:45 | Paper Presentations (Wireless Networks and Applications) <ul style="list-style-type: none">- Thang Phan Duy- Lyubomir Laskov- Aaron Ding |
| 16:15 | Coffee Break |
| 16:45 | Paper Presentations (Electromagnetic Wave Technologies) <ul style="list-style-type: none">- Esma Mutluer- Andon Lazarov- Alexander Denisov |

18:15 Paper Presentation (Electronics and Photonics)
- Andon Lazarov

20:15 Gala Dinner

TUESDAY

10:15 Registration

10:30 Paper Presentations (Propagation Measurements and Channel Models)

- Brandon Brown
- Olga Maltseva

11:30 Coffee Break / Poster Session

11:45 Paper Presentation (Remote Sensing and Data Interpretation)

- Andon Lazarov

12:15 Paper Presentation (Remote Sensing and Internet of Things)

- Penka Georgieva

12:45 Lunch

13:45 Paper Presentation (Positioning Technologies and Applications)

- Boris Shishkov

14:15 Closing

16:00 Barcelona *Barri Gotic* Walking Tour*

** We meet in front of the conference hotel; we will travel by tram; the walking tour will be focused on the medieval old town of Barcelona (Barri Gotic) and walking through Barri Gotic will take around one hour; the tour will end around the main Barcelona post station.*
